What is ESDS Youth Collaborative?

EDSD Youth Collaborative is a collective of San Diego including Temecula and Palm Desert parishes invested in youth ministry. We use our common resources to serve youth and families throughout the diocese. We meet quarterly to plan, collaborate, share events and resources, and provide support to those involved in youth ministry. Collaborative events include mission trips, conventions, youth retreats, service opportunities, and various other activities including Night watch, Youth Olympics and the Episcopal Youth Event.

St. Thomas and the EDSD

The Diocese has made a commitment to EDSD youth programs to provide funds for some of the youth activities. Each participating church has also made a commitment to provide funds or scholarship for their youth to participate. As more of our St Thomas youth become involved we hope that we will continue to support our youth and encourage them to participate in the upcoming activities.

*Next event: EDSD Summer
2018 Walking with Angels Trip*

To Guatemala with Love.

Two youth from St Thomas will experience a new culture while helping to transform a community!

A Year in Review

2017 Youth Olympics

Youth came together for fellowship and to participate in some fun and crazy games.

Camp Stevens Retreat

This Retreat was a chance for the youth to connect their faith to popular icons. This year was Harry Potter. Lighting the Wand of Faith. They also serviced Camp Stevens with some necessary site cleanup.

Night Watch Retreat

Transform, looking at how prayer and worship transforms us. Throughout the night groups of youth took turn watching over the Alter for 1 hour. Using this time for reflection and prayer.
